

Camp TALON

(Teen Adventures Learning Ornithology and Nature)

What?

- A five-day camp for teens interested in birds and nature
- A lot of birding and some classroom instruction
- Sponsors: Georgia Department of Natural Resources, the Georgia Ornithological Society, and Atlanta Audubon Society

When? June 10-14, 2012

Where? The camp will be based at Epworth by the Sea on St. Simons Island. We'll be birding on Little St. Simons Island, Cumberland Island, Harris Neck NWR, Sapelo Island, and Jekyll Island.

Who? Will host 15 students, ages 12-15.

How much? \$300 for early registration (before May 1st), which includes meals, lodging, and bus transportation from Macon. Scholarships are available.

How can I register? Look for the registration form at www.gos.org

For more info, contact Julie Duncan at Julie.duncan@dnr.state.ga.us or at (770) 784-3059.
