

CAMP *TALON*

Teen **A**dventures **L**earning **O**rnithology and **N**ature

June 2-7 – St. Simons Island, Georgia

TALON is a one-of-a kind camp for teens with a strong interest in the outdoors, birding and ecology. Each day the adventure begins as we travel by charter bus to barrier islands, state parks, wildlife management areas and refuges along Georgia's coast. Evening classes challenge our campers with presentations and quizzes about bird identification, songs, behavior, flight, migration and other "birdy" topics. At camp's end we come home with new and improved birding skills, a better understanding of coastal ecology, and great memories!
