

Meeting description from
"Oriole Chirps"
December 1962

Fall 1962
Atlanta, Georgia

Oriole Chirps

December 1962

Volume III

Number 1

THANKS TO THE ATLANTA FOLKS who did such an excellent job on the fall meeting of G.O.S. The program was interesting, informative, and well presented. The banquet and film following - The Living Wilderness with Walter Berlet - were most enjoyable. Work in the field - in spite of some drizzle one morning - was good. This was truly an outstanding meeting, and to those responsible---again, Thank You!
