Registration Instructions

One form per individual, please. Couples and families, use one form per person and send them together. Make copies or request additional forms by emailing gccbnf@hotmail.com or calling 1-877-4JEKYLL or 912-635-3636. Forms may also be downloaded from our website at www.shrike.net/ccbf.

Refer to your festival booklet for activity names and details.

Festival entry registration is the minimum required payment and entitles you to enter The Rookery exhibition hall, participate in all on-site Saturday seminars, and sign up for additional paid activities.

Please indicate 1st and 2nd choices for each field trip and seminar (see sample entry on this page). Several morning field trips end after seminars have begun, so be sure to carefully check start and end times when selecting multiple activities.

The start and end times for all field trips are calculated based on departing from and returning to the Jekyll Island Convention Center. Carpools leaving from the Center's parking lot will be organized for each trip, and festival registrants are encouraged to participate. Those registrants who do not wish to carpool and depart for their field trips from a location other than the Jekyll Island Convention Center may have a longer or shorter distance to travel. Maps to all field trip locations will be provided for you.

Please make a copy of the completed form for your records.

Mail early!
Space is limited - first come, first served.
Mail-in registration postmark deadline is Sept. 26!

Please return this form with your check/money order payable to Coastal Georgia Audubon Society by September 26 to:
